For what purposes do we process your personal data?

We process all the information provided by the user in order to manage his/her requests of information requested through the Website and, where appropriate, to send him/her commercial communications that may be of his/her interest.

It will be necessary to fill in the fields marked as "mandatory"; otherwise, it could imply an incomplete attention of the request. The user must inform TELSTAR of his current personal data so that the information contained in his files is updated and without any mistakes.

How long will we keep your personal data?

The personal data provided will be store as long as the user does not request its erasure.

What is the legitimation for processing of your data?

The legal basis for data processing is the consent of the user by accepting the data processing clause.

To which recipients will your data be assigned?

The data may be assigned to other companies of TELSTAR Group (also from outside the European Union such as Japan, USA, Brazil, Mexico, India, Bangladesh, Malaysia and China) to properly process your request.

What rights do you have when you provide us your personal data?

Users can exercise their right of access to personal data, as well as request the rectification of inaccurate data or, where appropriate, request its deletion when the data is no longer necessary for the purposes that were collected. The users may request the restriction, data portability and opposition of their data, in certain circumstances and for reasons related to their particular situation.

Likewise, you have the right to revoke your consent at any time without this affecting retroactively to the processing of personal data made until then.

The users may exercise the rights above referred, under the terms and conditions provided in the law in force, at the registered office of TELSTAR or request it by email to mkt@telstar.com.

In the event that the user does not obtain a satisfactory answer and wants to file a claim or obtain more information about any of these rights, he/she can address to the the Agencia Española de Protección de Datos (www.agpd.es – C/ Jorge Juan, 6 de Madrid).
